Dear Mr. Owen:

Re: NOV #N92-40-1-1, Monitoring Well SBC-3, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025, Folder #2, Emery County, Utah

Based on the 27 March 1992 submittal from MEC to the Division, formal approval of Co-Op's proposal to repair monitoring well SBC-3 is hereby granted. In order to expedite the repair of this structure, verbal approval was given to Charles Reynolds by Hugh Klein on 1 April 1992. This was based on the above referenced plan and communication with Bill Warmack of the Division of Water Rights in order to confirm the plan's adequacy.

As indicated in the 27 March 1992 letter, it is understood that this plan will be implemented immediately since it is approved. If you have any questions or concerns, please contact me.

Sincerely,

A handwritten signature in cursive script, reading 'Pamela Grubaugh-Littig'.
